

Dear Provectus Stockholders:

You are cordially invited to attend the 2019 Annual Meeting of Stockholders of Provectus Biopharmaceuticals, Inc. (“Provectus”) to be held on Wednesday, June 26, 2019, at 4:00 p.m., Eastern Time, at the Hilton Knoxville, located at 501 West Church Avenue, Knoxville, Tennessee 37902.

We are pleased to present you with our 2019 Proxy Statement. At our 2019 Annual Meeting, stockholders will vote on the matters set forth in the 2019 Proxy Statement and the accompanying notice of this Annual Meeting. Your board of directors has recommended five highly qualified and experienced nominees for election to the board of directors at the 2019 Annual Meeting. Highlights of the detailed information included in the Proxy Statement can be found in the section entitled “Questions and Answers About the 2019 Annual Meeting of Stockholders” starting on page 2, and detailed information regarding the director candidates can be found under “Proposal 1 – Election of Directors” starting on page 17.

We have elected to provide access to our proxy materials over the Internet under the Securities and Exchange Commission’s “notice and access” rules again this year. We believe that providing our proxy materials over the Internet increases the ability of our stockholders to connect with the information they need, while reducing the environmental impact of our Annual Meeting and the cost to the Company associated with the physical printing and mailing of proxy materials.

Whether or not you will attend the meeting, we hope that your shares are represented and voted. In advance of the meeting on June 26, 2019, please vote and submit your proxy as soon as possible via the Internet, by telephone, or if you have requested to receive printed proxy materials, by mailing a proxy or voting instruction card enclosed with those materials. Instructions on how to vote are found in the section entitled “Questions and Answers About the 2019 Annual Meeting of Stockholders – How do I vote before the Annual Meeting?” starting on page 3.

**PROXY STATEMENT FOR
2019 ANNUAL MEETING OF STOCKHOLDERS
TO BE HELD ON JUNE 26, 2019**

We are delivering these proxy materials to solicit proxies on behalf of the board of directors of Provectus Biopharmaceuticals, Inc., for the 2019 Annual Meeting of Stockholders to be held on Wednesday, June 26, 2019, beginning at 4:00 p.m. Eastern Time, at the Hilton Knoxville, located at 501 West Church Avenue, Knoxville, Tennessee 37902.

We first mailed the Notice of Internet Availability of Proxy Materials to our stockholders on or about May 14, 2019.

We will refer to Provectus Biopharmaceuticals, Inc. and its subsidiaries throughout this Proxy Statement as “we,” “us,” the “Company” or “Provectus.” We will refer to the board of directors as the “Board.”

At the Annual Meeting, our stockholders will vote on proposals:

1. to elect five directors to serve on our Board;
2. to conduct an advisory vote to approve the compensation of our named executive officers; and
3. to ratify the selection of Marcum LLP as our independent registered public accounting firm for 2019.

The proposals are set forth in the accompanying Notice of 2019 Annual Meeting of Stockholders and are described in more detail in this Proxy Statement. Stockholders also will transact any other business, not known or determined at the time of this proxy solicitation that properly comes before the 2019 Annual Meeting of Stockholders, although our Board knows of no such other business to be presented.

OUR BOARD UNANIMOUSLY RECOMMENDS THAT YOU VOTE “FOR” EACH OF THE FIVE NOMINEES TO OUR BOARD IDENTIFIED IN THE PROXY STATEMENT, AND “FOR” PROPOSALS 2 AND 3.

When you submit your proxy by executing and returning the enclosed proxy card, you will authorize the proxy holders – Bruce Horowitz and Heather Raines, CPA – to vote as proxy all your shares of common stock and otherwise to act on your behalf at the 2019 Annual Meeting of Stockholders and any adjournment thereof, in accordance with the instructions set forth therein. These persons also will have discretionary authority to vote your shares on any other business that properly comes before the meeting. They also may vote your shares to adjourn the meeting and will be authorized to vote your shares at any adjournment of the meeting.

QUESTIONS AND ANSWERS ABOUT THE 2019 ANNUAL MEETING OF STOCKHOLDERS

Why did I receive a one-page notice in the mail regarding the Internet availability of proxy materials instead of a full set of proxy materials?

Pursuant to rules adopted by the U.S. Securities and Exchange Commission (the “SEC”), the Company will use the Internet as the primary means of furnishing proxy materials to stockholders again this year. Accordingly, the Company is sending a Notice of Internet Availability of Proxy Materials (the “Notice”) to the Company’s stockholders. All stockholders will have the ability to access the proxy materials on the website referred to in the Notice or request a printed set of the complete proxy materials. Instructions on how to access the proxy materials over the Internet or to request a printed copy may be found in the Notice. In addition, stockholders may request to receive proxy materials in printed form by mail or electronically by email on an ongoing basis. The Company encourages stockholders to take advantage of the availability of the proxy materials on the Internet to help reduce the environmental impact of its annual meetings and the cost to the Company associated with the physical printing and mailing of materials.

What is the purpose of the 2019 Annual Meeting of Stockholders?

At the 2019 Annual Meeting of Stockholders (the “2019 Annual Meeting”), stockholders will act upon the following matters:

1. To elect five directors to serve on our Board;
2. To conduct an advisory vote to approve the compensation of our named executive officers; and
3. To ratify the selection of Marcum LLP (“Marcum”) as our independent registered public accounting firm for 2019.

Stockholders also will transact any other business, not known or determined at the time of this proxy solicitation, that properly comes before the 2019 Annual Meeting, although our Board knows of no such other business to be presented.

Who is entitled to vote?

Only stockholders of record at the close of business on April 30, 2019, the record date for the 2019 Annual Meeting, are entitled to receive notice of the 2019 Annual Meeting and to vote the shares of common stock that they held on that date at the 2019 Annual Meeting. Each outstanding share of common stock entitles its holder to cast one vote on each matter to be voted on at the 2019 Annual Meeting.

What constitutes a quorum?

The presence at the 2019 Annual Meeting, in person or by proxy, of the holders of a majority of the shares of common stock outstanding on the record date, April 30, 2019, will constitute a quorum. Shares held by stockholders present at the 2019 Annual Meeting in person or represented by proxy who elect to abstain from voting nonetheless will be included in the calculation of the number of shares considered present at the 2019 Annual Meeting.

As of April 30, 2019, there were 384,714,528 shares of common stock outstanding.

What happens if a quorum is not present at the 2019 Annual Meeting?

If a quorum is not present at the scheduled time of the meeting, the holders of a majority of the shares of common stock present in person or represented by proxy at the meeting may adjourn the meeting to another place, date, or time until a quorum is present. The place, date, and time of the adjourned meeting will be announced when the adjournment is taken, and no other notice will be given unless the adjournment is for more than thirty days, or if after the adjournment a new record date is fixed for the adjourned meeting.

May I vote my shares in person at the Annual Meeting?

Yes. You may vote your shares at the Annual Meeting if you attend in person, even if you previously submitted a proxy card or voted by Internet or telephone. Whether or not you plan to attend the Annual Meeting in person, however, in order to assist us in tabulating votes at the Annual Meeting, we encourage you to vote by using the Internet, telephone, or, if applicable, by returning a proxy card.

How do I vote before the Annual Meeting?

Before the Annual Meeting, you may vote your shares in one of the following three ways:

1. via the Internet by following the instructions provided in the Notice;
2. by mail, if you requested printed copies of the proxy materials, by filling out the form of proxy card and sending it back in the envelope provided; or
3. by telephone, if you requested printed copies of the proxy materials, by calling the toll-free number found on the proxy card. If you requested printed copies of the proxy materials, and properly sign and return your proxy card and return it in the prepaid envelope, your shares will be voted as you direct.

Please use only one of the three ways to vote. If you hold shares in the name of a broker, your ability to vote those shares by Internet or telephone depends on the voting procedures used by your broker, as explained below.

How do I vote if my broker holds my shares in “street name”?

If your shares are held in “street name,” your bank or broker will send you the Notice. Many (but not all) brokerage firms and banks participate in a program provided through Broadridge Financial Solutions, Inc. that offers Internet and telephone voting options. If you do not give instructions to your nominee, it will nevertheless be entitled to vote your shares on “discretionary” items but will not be permitted to do so on “non-discretionary” items. Proposals 1 and 2 are non-discretionary items for which a nominee will not have discretion to vote in the absence of voting instructions from you. Proposal 3, however, is a discretionary item on which your nominee will be entitled to vote your shares even in the absence of instructions from you.

Can I change my mind and revoke my proxy?

Yes. To revoke a proxy given pursuant to this solicitation, you must:

- sign another proxy with a later date and return it to our Secretary, Provectus Biopharmaceuticals, Inc., 10025 Investment Drive, Suite 250, Knoxville, Tennessee 37932 at or before the Annual Meeting;
- provide our Secretary with a written notice of revocation dated later than the date of the proxy at or before the Annual Meeting;
- re-vote by using the telephone following the instructions on the proxy card;
- re-vote by using the Internet by following the instructions in the Notice; or
- attend the Annual Meeting and vote in person—note that attendance at the Annual Meeting will not revoke a proxy if you do not actually vote at the Annual Meeting.

What are the Board’s recommendations?

Our Board unanimously recommends that you vote:

1. **“FOR”** the proposal to elect five directors to serve on our Board;
2. **“FOR”** the proposal to approve, on an advisory basis, the compensation of our named executive officers; and
3. **“FOR”** the proposal to ratify the selection of Marcum LLP as our independent registered public accounting firm for 2019.

What happens if I do not specify how my shares are to be voted?

If you sign and return your proxy card or complete the telephone or Internet voting procedures but do not indicate any voting instructions, your shares will be voted **“FOR”** each of the nominees for director identified in Proposal 1 and **“FOR”** Proposals 2 and 3.

Will any other business be conducted at the 2019 Annual Meeting?

As of the date hereof, our Board knows of no business that will be presented at the Annual Meeting other than the proposals described in this Proxy Statement. If any other business is properly brought before the 2019 Annual Meeting, the proxy holders will vote your shares in accordance with their best judgment.

What vote is required to approve each item?

1. The director nominees will be elected to serve on our Board if they receive a plurality of the votes cast on the shares of common stock present in person or represented by proxy at the 2019 Annual Meeting and entitled to vote on the subject matter. This means that the director nominees will be elected if they receive more votes than any other person at the 2019 Annual Meeting. If you vote to “Withhold Authority” with respect to the election of one or more director nominees, your shares of common stock will not be voted with respect to the person or persons indicated, although they will be counted for the purpose of determining whether there is a quorum at the meeting.
2. The advisory vote to approve the compensation of our named executive officers will be approved if a majority of the shares of common stock present in person or represented by proxy at the 2019 Annual Meeting and entitled to vote on the subject matter are voted in favor of the proposal.
3. The selection of Marcum as our independent registered public accounting firm for 2019 will be ratified if a majority of the shares of common stock present in person or represented by proxy at the meeting and entitled to vote on the subject matter are voted in favor of the proposal.

How will Abstentions and Broker Non-Votes be Treated?

You do not have the option of abstaining from voting on Proposal 1, but you may abstain from voting on Proposals 2 and 3. With respect to Proposal 1, because the directors are elected by a plurality vote, an abstention will have no effect on the outcome of the vote and, therefore, is not offered as a voting option on the proposal. In the case of an abstention on Proposals 2 and 3, your shares of common stock would be included in the number of shares of common stock considered present at the meeting for the purpose of determining whether there is a quorum. Because your shares of common stock would be voted but not in favor of Proposals 2 and 3, your abstention would have the same effect as a negative vote in determining the outcome of the vote on the proposal.

Broker non-votes occur when a brokerage firm, bank, or other nominee does not vote shares that it holds in “street name” on behalf of the beneficial owner because the beneficial owner has not provided voting instructions to the nominee with respect to a non-discretionary item. Proposals 1 and 2 are non-discretionary items for which a nominee will not have discretion to vote in the absence of voting instructions from you. Proposal 3, however, is a discretionary item on which your nominee will be entitled to vote your shares of common stock even in the absence of instructions from you. Accordingly, it is possible for there to be broker non-votes with respect to Proposals 1 and 2, but there will not be broker non-votes with regard to Proposal 3. In the case of a broker non-vote, your shares of common stock would be included in the number of shares of common stock considered present at the meeting for the purpose of determining whether there is a quorum. A broker non-vote, being shares of common stock not entitled to vote, would not have any effect on the outcome of the vote on Proposals 1 and 2.

Section 16(a) Beneficial Ownership Reporting Compliance

The federal securities laws require our directors and executive officers and persons who beneficially own more than 10% of a registered class of our equity securities to file with the SEC initial reports of ownership and reports of changes in ownership of our securities. Based solely on our review of the copies of these forms received by us or representations from reporting persons, we believe that SEC beneficial ownership reporting requirements for 2018 were met.

CORPORATE GOVERNANCE

Board Leadership Structure

Our Board currently consists of five members, Bruce Horowitz, Jan Koe, John Lacey, III, M.D., Ed Pershing, CPA, and Dominic Rodrigues, CFA. Mr. Pershing serves as non-executive Chairman of our Board and Mr. Rodrigues serves as non-executive Vice Chairman.

Four members of our Board, Dr. Lacey and Messrs. Koe, Pershing, and Rodrigues, are considered independent under the independence standards of the NYSE American LLC.

We believe that it is appropriate to separate the positions of Chairman and Chief Executive Officer to ensure that the appropriate level of independent oversight is applied to all management decisions and avoids any potential conflicts of interest. The Company does not currently have a Chief Executive Officer, although our Chief Operating Officer, Mr. Horowitz, serves as our principal executive officer. Our entire board of directors is responsible for our risk oversight function due to the fact that we have only three employees.

Board and Committees

Our Board met five times and acted by unanimous written consent eight times in 2018. Each incumbent director attended all meetings of our Board and its committees on which he served during 2018. We do not have a formal policy regarding attendance by Board members at our Annual Stockholders Meeting, but members of our Board are encouraged to attend the 2019 Annual Meeting. Directors Horowitz, Lacey, Pershing, and Rodrigues attended the 2018 Annual Meeting of Stockholders in person, and Director Koe attended via telephone.

We have three standing Board committees: the audit committee, the compensation committee, and the corporate governance and nominating committee (the “nominating committee”).

Audit Committee

The audit committee consists of Dr. Lacey and Messrs. Horowitz, Koe, Pershing, and Rodrigues. Dr. Lacey and Messrs. Koe, Pershing and Rodrigues are independent directors under the listing standards of the NYSE American LLC. Mr. Pershing is the chairman of the audit committee. Our Board has determined that Messrs. Pershing and Rodrigues qualify as “audit committee financial experts,” as defined under the rules of the SEC. The audit committee met four times in 2018.

The audit committee’s responsibilities include:

1. Hiring one or more independent registered public accountants to audit our books, records and financial statements and to review our systems of accounting (including our systems of internal control),
2. Discussing with the independent registered public accounting firm the results of the annual audit and quarterly reviews,
3. Conducting periodic independent reviews of the systems of accounting (including systems of internal control),
4. Making reports periodically to our Board with respect to its findings, and
5. Undertaking other activities described more fully in the section called “Audit Committee Report.”

Our audit committee charter is posted on our website under the “Investors” subpage, at <http://provectusbio.com/media/docs/AuditCommitteeCharter.pdf>, and is also available in print to any stockholder or other interested party who makes such a request to the Company’s Secretary. The information on our website, however, is not a part of this Proxy Statement.

Compensation Committee

The compensation committee consists of Dr. Lacey and Messrs. Horowitz, Koe, Pershing, and Rodrigues. Dr. Lacey and Messrs. Koe, Pershing, and Rodrigues are independent directors under the listing standards of the NYSE American LLC. Mr. Koe is the chairman of the compensation committee. The compensation committee met three times in 2018.

The compensation committee's responsibilities include:

1. Reviewing and approving annually the corporate goals and objectives relevant to each executive officer, and at least annually, evaluating each executive officer's performance in light of these goals and objectives, and setting each executive officer's compensation, including salary, bonus and incentive compensation, based on this evaluation,
2. Reviewing our compensation and benefits plans,
3. Reviewing and recommending to the entire Board the compensation for members of our Board, and
4. Other matters that our Board specifically delegates to the compensation committee from time to time.

Our compensation committee charter is posted on our website under the "Investors" subpage, at <http://provectusbio.com/media/docs/CompensationCommitteeCharter.pdf>, and is also available in print to any stockholder or other interested party who makes such a request to the Company's Secretary. The information on our website, however, is not a part of this Proxy Statement.

Nominating Committee and Director Nominations

The nominating committee consists of Dr. Lacey and Messrs. Horowitz, Koe, Pershing, and Rodrigues. Dr. Lacey and Messrs. Koe, Pershing, and Rodrigues are independent directors under the listing standards of the NYSE American LLC. Dr. Lacey is the chairman of the nominating committee. The nominating committee did not hold any meetings in 2018.

Our Board adopted a written charter for our nominating committee, which is available to our stockholders and other interested parties on our website under the "Investors" subpage, at <http://provectusbio.com/media/docs/NominatingCommitteeCharter.pdf>, and is also available in print to any stockholder or other interested party who makes such a request to the Company's Secretary. The information on our website, however, is not a part of this Proxy Statement.

The nominating committee's responsibilities include:

1. Assisting our Board to identify and approve the nomination of individuals qualified to serve as members of our Board,
2. Reviewing the qualifications and performance of incumbent directors to determine whether to recommend them as nominees for re-election,
3. Developing and recommending to our Board corporate governance policies for the Company,
4. Reviewing periodically the management succession plan of the Company, and formally recommending to our Board, as needed, successors to departing executive officers if a vacancy occurs, and
5. Evaluating the performance of our Board.

Our nominating committee has no set procedures or policy on the selection of nominees or evaluation of stockholder recommendations and will consider these issues on a case-by-case basis. Our nominating committee will consider stockholder recommendations for director nominees that are properly received in accordance with our bylaws and the applicable rules and regulations of the SEC. Our nominating committee screens all potential candidates in the same manner. Our nominating committee's review will typically be based on all information provided with respect to the potential candidate. Our nominating committee has not established specific minimum qualifications that must be met by a nominee for a position on our Board or specific qualities and skills for a director. Our nominating committee may consider the diversity of qualities and skills of a nominee, but our nominating committee has no formal policy in this regard. COMPENSATION OF DIRECTORS AND EXECUTIVE OFFICERS

Because we are a smaller reporting company, we are not required to include a Compensation Discussion and Analysis section in this Proxy Statement and have elected to comply with the scaled-down executive compensation disclosure requirements applicable to smaller reporting companies.

Base Salary and Employment Agreements

On April 28, 2014, we entered into amended and restated executive employment agreements with Drs. Scott and Wachter to serve as our President and Chief Technology Officer, respectively. Each agreement provided that such executive be employed for a five-year term with automatic one-year renewals unless previously terminated pursuant to the terms of the agreement or either party gives notice that the term will not be extended. Each executive officer's base salary was \$500,000 per year. The Company and Drs. Scott and Wachter are parties to a Stipulated Settlement Agreement dated June 6, 2014 (the "Kleba Settlement Agreement") that was negotiated to resolve certain claims asserted against Drs. Scott and Wachter derivatively, pursuant to which each of Drs. Scott and Wachter agreed to repay the Company compensation that was paid to such executive along with legal fees and other expenses incurred by the Company. Each of Drs. Scott and Wachter had \$200,000 withheld from their salary each year for such repayment obligation. On November 26, 2018, the Board provided notice to each of Drs. Scott and Wachter that the Company would not renew their respective employment agreements as of their April 28, 2019 expiration dates. Effective as of May 8, 2019, Dr. Scott no longer serves as President of the Company. The Company and Dr. Wachter are currently negotiating a new employment agreement.

Independent Contractor Agreements

During 2016, the Company entered into an independent contractor agreement, as amended (the "Glass Agreement"), with Mr. Glass, pursuant to which he served as Interim Chief Financial Officer of the Company. On January 24, 2019, the Board provided Mr. Glass with a 60-day written notice of the Company's intent to terminate the Glass Agreement. Mr. Glass continued to serve as Interim Chief Financial Officer with the Company until the effective date of the termination of the Glass Agreement on March 25, 2019. The Glass Agreement provided that Mr. Glass be paid \$125 per hour. The Glass Agreement further provided that, following the termination of the Glass Agreement by the Company as a result of the hiring of a permanent chief financial officer, Mr. Glass would also be entitled to a severance payment of \$20,000 subject to certain terms and conditions set forth in the Glass Agreement.

2019 Executive Employment/Contractor Agreements

On May 8, 2019, our Board promoted Mr. Horowitz to the Company's Chief Operating Officer. During 2017, the Company entered into an independent contractor agreement, as amended (the "Horowitz Agreement"), with Mr. Horowitz, pursuant to which he has served as Chief Operations Consultant of the Company since April 19, 2017. The Horowitz Agreement was amended on May 8, 2019 to provide that Mr. Horowitz continue to be paid \$125 per hour and receive a health insurance allowance of \$1,200 per calendar month.

On March 25, 2019, our Board promoted Mrs. Raines to the Company's Chief Financial Officer. She had previously served as Provectus' Controller since August 1, 2017. In connection with the promotion, Mrs. Raines is entitled to receive an initial incentive compensation of 50,000 shares of the Company common stock. The term of the employment agreement is from March 25, 2019 to March 24, 2020 and thereafter, the term of her employment will be extended automatically one additional year unless terminated by either the Company or Mrs. Raines upon 30 days prior written notice. In the event of a change in control, Mrs. Raines will be paid an amount equal to 50% of her base salary in the preceding calendar year.

Bonus Awards

No cash bonuses were earned or awarded to our named executive officers in 2018.

Other Benefits

We maintain broad-based benefits that are provided to all employees, including health insurance, life and disability insurance, dental insurance, and a vacation policy.

Long-Term Incentives

At the 2014 annual meeting of stockholders, our stockholders approved the Provectus Biopharmaceuticals, Inc. 2014 Equity Compensation Plan (the “2014 Equity Compensation Plan”), which authorizes our Board to grant options that qualify as “incentive stock options” within the meaning of Section 422 of the Internal Revenue Code of 1986 (the “Code”), and options that do not qualify as incentive stock options under the Code (“non-qualified stock options,” and collectively with incentive stock options, “options”). We are authorized to grant options under the 2014 Equity Compensation Plan for up to 20,000,000 shares of our common stock. If any options granted under the 2014 Equity Compensation Plan are forfeited or terminated for any reason, the shares of common stock that were subject to the options will again be available for future distribution under the 2014 Equity Compensation Plan. In June 2016, the compensation committee approved an amendment to our 2014 Equity Compensation Plan to allow for restricted stock awards to non-employee directors. Our stockholders approved this amendment at our 2017 annual stockholder meeting.

Under the terms of our 2014 Equity Compensation Plan, prior to the occurrence of a change in control (as defined in the 2014 Equity Compensation Plan), and unless otherwise determined by our Board, any stock options outstanding on the date such change in control is determined to have occurred that are not yet exercisable and vested on such date will become fully exercisable and vested. As of December 31, 2018, named executive officers had no outstanding unvested stock options. No options were awarded to our named executive officers or to directors in 2018.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Policies and Procedures for Related Person Transactions

We have adopted a written related person transactions policy, pursuant to which our executive officers, directors and principal stockholders, including their immediate family members, are not permitted to enter into a related person transaction with us without the consent of our audit committee. Any request for us to enter into a transaction with an executive officer, director, principal stockholder or any of such persons' immediate family members, other than transactions available to all employees generally or involving less than \$10,000 when aggregated with similar transactions, must be presented to our audit committee for review, consideration and approval, unless the transaction involves an employment or other compensatory arrangement approved by the compensation committee. All of our directors, executive officers and employees are required to report to our audit committee any such related person transaction. In approving or rejecting the proposed agreement, our audit committee will take into account, among other factors it deems appropriate, whether the proposed related person transaction is on terms no less favorable than terms generally available to an unaffiliated third party under the same or similar circumstances, the extent of the person's interest in the transaction and, if applicable, the impact on a director's independence. After consideration of these and other factors, the audit committee may approve or reject the transaction. Consistent with the policy, if we should discover related person transactions that have not been approved, the audit committee will be notified and will determine the appropriate action, including ratification, rescission or amendment of the transaction.

PROPOSAL 3
RATIFICATION OF SELECTION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

General

Each of our audit committee and Board has unanimously selected Marcum as the independent registered public accounting firm to perform the audit of our consolidated financial statements for 2019. Marcum is an independent registered public accounting firm.

Our Board is asking our stockholders to ratify the selection of Marcum as our independent registered public accounting firm for 2019. Although not required by law or our bylaws, our Board is submitting the selection of Marcum to our stockholders for ratification as a matter of good corporate practice. Even if the selection is ratified, our Board, in its discretion, may select a different registered public accounting firm at any time during the year if it determines that such a change would be in the best interests of us and our stockholders.

Independent Registered Public Accounting Firm

On April 26, 2016, the Company engaged Marcum as its independent registered public accounting firm. The decision to engage Marcum as the Company’s independent registered public accounting firm was unanimously approved by the Company’s audit committee and Board. During the year ended December 31, 2015, and through April 26, 2016, the date of Marcum’s engagement, the Company did not consult with Marcum regarding any of the matters or events set forth in Item 304(a)(2)(i) and (ii) of Regulation S-K.

Representatives of Marcum are expected to be present at the Annual Meeting telephonically. They will have an opportunity to make a statement if they desire and will be available to respond to appropriate questions from our stockholders.

OUR BOARD UNANIMOUSLY RECOMMENDS THAT YOU VOTE *FOR* THE RATIFICATION OF THE SELECTION OF MARCUM AS OUR INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR 2019. Each proxy solicited on behalf of our Board will be voted *FOR* the ratification of the selection of Marcum as our independent registered public accounting firm for 2019 unless the stockholder instructs otherwise in the proxy. If our stockholders do not ratify the selection, the matter will be reconsidered by our Board.

Audit and Non-Audit Services

Our audit committee is directly responsible for the appointment, compensation, and oversight of our independent registered public accounting firm. It is the policy of our audit committee to pre-approve all audit and non-audit services provided by our independent registered public accountants. Our audit committee has considered whether the provision by Marcum of services of the varieties described below was compatible with maintaining the independence of Marcum. Our audit committee believes the provision of such services to us did not jeopardize the independence of Marcum as the Company’s independent registered public accounting firm.

The table below sets forth the aggregate fees we paid to Marcum for audit and non-audit services provided to us in 2018 and 2017:

AUDIT COMMITTEE REPORT

Our audit committee has the responsibilities and powers set forth in its charter, which include the responsibility to assist our Board in its oversight of our accounting and financial reporting principles and policies and internal audit controls and procedures, the integrity of our financial statements, our compliance with legal and regulatory requirements, the independent registered public accounting firm's qualifications and independence, and the performance of the independent registered public accounting firm and our internal audit function. The audit committee is also required to prepare this report to be included in our annual Proxy Statement pursuant to the proxy rules of the SEC.

Management is responsible for the preparation, presentation and integrity of our financial statements and for maintaining appropriate accounting and financial reporting principles and policies and internal controls and procedures to provide for compliance with accounting standards and applicable laws and regulations. The internal auditor is responsible for testing such internal controls and procedures. Our independent registered public accounting firm is responsible for planning and carrying out a proper audit of our annual financial statements, reviews of our quarterly financial statements prior to the filing of each quarterly report on Form 10-Q, and other procedures.

The audit committee reviews our financial reporting process. In this context, the audit committee:

- reviewed and discussed with management the audited financial statements for the year ended December 31, 2018;
- discussed with Marcum, our independent registered public accountants, the matters required to be discussed under the rules adopted by the Public Company Accounting Oversight Board (the "PCAOB"); and
- received the written disclosures and the letter from Marcum required by the PCAOB, and has discussed with Marcum the independent accountant's independence.

Based on this review and the discussions referred to above, the audit committee recommended that our Board include the audited financial statements in our Annual Report on Form 10-K for the year ended December 31, 2018, for filing with the SEC.

This report is submitted on behalf of the members of the audit committee, who are named below, and shall not be deemed "soliciting material" or to be "filed" with the SEC, nor shall it be incorporated by any general statement incorporating by reference this Proxy Statement into any filing under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended, except to the extent that we specifically incorporate this information by reference and shall not otherwise be deemed filed under these Acts.
