We are pleased to present you with our 2018 Proxy Statement. At our 2018 Annual Meeting, stockholders will vote on the matters set forth in the 2018 Proxy Statement and the accompanying notice of this Annual Meeting. Your board of directors has recommended five highly qualified and experienced nominees for election to the board of directors at the 2018 Annual Meeting. Highlights of the detailed information included in the Proxy Statement can be found in the section entitled "Questions and Answers About the 2018 Annual Meeting of Stockholders" starting on page 2, and detailed information regarding the director candidates can be found under "Proposal 1 – Election of Directors" starting on page 18.

We have elected to provide access to our proxy materials over the Internet under the Securities and Exchange Commission's "notice and access" rules this year. We believe that providing our proxy materials over the Internet increases the ability of our stockholders to connect with the information they need, while reducing the environmental impact of our Annual Meeting and the cost to the Company associated with the physical printing and mailing of proxy materials.

Whether or not you will attend the meeting, we hope that your shares are represented and voted. In advance of the meeting on June 27, 2018, please vote and submit your proxy as soon as possible via the Internet, by telephone, or if you have requested to receive printed proxy materials, by mailing a proxy or voting instruction card enclosed with those materials. Instructions on how to vote are found in the section entitled "Questions and Answers About the 2018 Annual Meeting of Stockholders – How do I vote before the Annual Meeting?" starting on page 3.

**PROXY STATEMENT FOR
2018 ANNUAL MEETING OF STOCKHOLDERS
TO BE HELD ON JUNE 27, 2018**

We are delivering these proxy materials to solicit proxies on behalf of the board of directors of Provectus Biopharmaceuticals, Inc., for the 2018 Annual Meeting of Stockholders to be held on Wednesday, June 27, 2018, beginning at 4:00 p.m. Eastern Time, at the Hilton Knoxville, located at 501 West Church Avenue, Knoxville, Tennessee 37902.

We first mailed the Notice of Internet Availability of Proxy Materials to our stockholders on or about April 30, 2018.

We will refer to Provectus Biopharmaceuticals, Inc. and its subsidiaries throughout this Proxy Statement as “we,” “us,” the “Company” or “Provectus.” We will refer to the board of directors as the “Board.”

At the Annual Meeting, our stockholders will vote on proposals:

1. to elect five directors to serve on our Board;
2. to conduct an advisory vote to approve the compensation of our named executive officers; and
3. to ratify the selection of Marcum LLP as our independent registered public accounting firm for 2018.

The proposals are set forth in the accompanying Notice of 2018 Annual Meeting of Stockholders and are described in more detail in this Proxy Statement. Stockholders also will transact any other business, not known or determined at the time of this proxy solicitation that properly comes before the 2018 Annual Meeting of Stockholders, although our Board knows of no such other business to be presented.

OUR BOARD UNANIMOUSLY RECOMMENDS THAT YOU VOTE “FOR” EACH OF THE FIVE NOMINEES TO OUR BOARD IDENTIFIED IN THE PROXY STATEMENT, AND “FOR” PROPOSALS 2 AND 3.

When you submit your proxy by executing and returning the enclosed proxy card, you will authorize the proxy holders – Timothy C. Scott, Ph.D. and Eric A. Wachter, Ph.D. – to vote as proxy all your shares of common stock and otherwise to act on your behalf at the 2018 Annual Meeting of Stockholders and any adjournment thereof, in accordance with the instructions set forth therein. These persons also will have discretionary authority to vote your shares on any other business that properly comes before the meeting. They also may vote your shares to adjourn the meeting and will be authorized to vote your shares at any adjournment of the meeting.

QUESTIONS AND ANSWERS ABOUT THE 2018 ANNUAL MEETING OF STOCKHOLDERS

Why did I receive a one-page notice in the mail regarding the Internet availability of proxy materials instead of a full set of proxy materials?

Pursuant to rules adopted by the Securities and Exchange Commission (the “SEC”), the Company will use the Internet as the primary means of furnishing proxy materials to stockholders this year. Accordingly, the Company is sending a Notice of Internet Availability of Proxy Materials (the “Notice”) to the Company’s stockholders. All stockholders will have the ability to access the proxy materials on the website referred to in the Notice or request a printed set of the complete proxy materials. Instructions on how to access the proxy materials over the Internet or to request a printed copy may be found in the Notice. In addition, stockholders may request to receive proxy materials in printed form by mail or electronically by email on an ongoing basis. The Company encourages stockholders to take advantage of the availability of the proxy materials on the Internet to help reduce the environmental impact of its annual meetings and the cost to the Company associated with the physical printing and mailing of materials.

What is the purpose of the 2018 Annual Meeting of Stockholders?

At the 2018 Annual Meeting of Stockholders (the “2018 Annual Meeting”), stockholders will act upon the following matters:

1. To elect five directors to serve on our Board;
2. To conduct an advisory vote to approve the compensation of our named executive officers; and
3. To ratify the selection of Marcum LLP as our independent registered public accounting firm for 2018.

Stockholders also will transact any other business, not known or determined at the time of this proxy solicitation, that properly comes before the 2018 Annual Meeting, although our Board knows of no such other business to be presented.

Who is entitled to vote?

Only stockholders of record at the close of business on April 30, 2018, the record date for the 2018 Annual Meeting, are entitled to receive notice of the 2018 Annual Meeting and to vote the shares of common stock that they held on that date at the 2018 Annual Meeting. Each outstanding share of common stock entitles its holder to cast one vote on each matter to be voted on at the 2018 Annual Meeting.

What constitutes a quorum?

The presence at the 2018 Annual Meeting, in person or by proxy, of the holders of a majority of the shares of common stock outstanding on the record date, April 30, 2018, will constitute a quorum. Shares held by stockholders present at the 2018 Annual Meeting in person or represented by proxy who elect to abstain from voting nonetheless will be included in the calculation of the number of shares considered present at the 2018 Annual Meeting.

As of March 31, 2018, there were 378,888,190 shares of common stock outstanding.

What happens if a quorum is not present at the 2018 Annual Meeting?

If a quorum is not present at the scheduled time of the meeting, the holders of a majority of the shares of common stock present in person or represented by proxy at the meeting may adjourn the meeting to another place, date, or time until a quorum is present. The place, date, and time of the adjourned meeting will be announced when the adjournment is taken, and no other notice will be given unless the adjournment is for more than thirty days, or if after the adjournment a new record date is fixed for the adjourned meeting.

May I vote my shares in person at the Annual Meeting?

Yes. You may vote your shares at the Annual Meeting if you attend in person, even if you previously submitted a proxy card or voted by Internet or telephone. Whether or not you plan to attend the Annual Meeting in person, however, in order to assist us in tabulating votes at the Annual Meeting, we encourage you to vote by using the Internet, telephone, or, if applicable, by returning a proxy card.

How do I vote before the Annual Meeting?

Before the Annual Meeting, you may vote your shares in one of the following three ways:

1. via the Internet by following the instructions provided in the Notice;
2. by mail, if you requested printed copies of the proxy materials, by filling out the form of proxy card and sending it back in the envelope provided; or
3. by telephone, if you requested printed copies of the proxy materials, by calling the toll free number found on the proxy card. If you requested printed copies of the proxy materials, and properly sign and return your proxy card and return it in the prepaid envelope, your shares will be voted as you direct.

Please use only one of the three ways to vote. If you hold shares in the name of a broker, your ability to vote those shares by Internet or telephone depends on the voting procedures used by your broker, as explained below.

How do I vote if my broker holds my shares in “street name”?

If your shares are held in “street name,” your bank or broker will send you the Notice. Many (but not all) brokerage firms and banks participate in a program provided through Broadridge Financial Solutions, Inc. that offers Internet and telephone voting options. If you do not give instructions to your nominee, it will nevertheless be entitled to vote your shares on “discretionary” items but will not be permitted to do so on “non-discretionary” items. Proposals 1 and 2 are non-discretionary items for which a nominee will not have discretion to vote in the absence of voting instructions from you. Proposal 3, however, is a discretionary item on which your nominee will be entitled to vote your shares even in the absence of instructions from you.

Can I change my mind and revoke my proxy?

Yes. To revoke a proxy given pursuant to this solicitation, you must:

- sign another proxy with a later date and return it to our Secretary, Provectus Biopharmaceuticals, Inc., 10025 Investment Drive, Suite 250, Knoxville, Tennessee 37932 at or before the Annual Meeting;
- provide our Secretary with a written notice of revocation dated later than the date of the proxy at or before the Annual Meeting;
- re-vote by using the telephone following the instructions on the proxy card;
- re-vote by using the Internet by following the instructions in the Notice; or
- attend the Annual Meeting and vote in person—note that attendance at the Annual Meeting will not revoke a proxy if you do not actually vote at the Annual Meeting.

What are the Board’s recommendations?

Our Board unanimously recommends that you vote:

1. **“FOR”** the proposal to elect five directors to serve on our Board;
2. **“FOR”** the proposal to approve, on an advisory basis, the compensation of our named executive officers; and
3. **“FOR”** the proposal to ratify the selection of Marcum LLP as our independent registered public accounting firm for 2018.

What happens if I do not specify how my shares are to be voted?

If you sign and return your proxy card or complete the telephone or Internet voting procedures but do not indicate any voting instructions, your shares will be voted **“FOR”** each of the nominees for director identified in Proposal 1 and **“FOR”** Proposals 2 and 3.

Will any other business be conducted at the 2018 Annual Meeting?

As of the date hereof, our Board knows of no business that will be presented at the Annual Meeting other than the proposals described in this Proxy Statement. If any other business is properly brought before the 2018 Annual Meeting, the proxy holders will vote your shares in accordance with their best judgment.

What vote is required to approve each item?

1. The director nominees will be elected to serve on our Board if they receive a plurality of the votes cast on the shares of common stock present in person or represented by proxy at the 2018 Annual Meeting and entitled to vote on the subject matter. This means that the director nominees will be elected if they receive more votes than any other person at the 2018 Annual Meeting. If you vote to “Withhold Authority” with respect to the election of one or more director nominees, your shares of common stock will not be voted with respect to the person or persons indicated, although they will be counted for the purpose of determining whether there is a quorum at the meeting.
2. The advisory vote to approve the compensation of our named executive officers will be approved if a majority of the shares of common stock present in person or represented by proxy at the 2018 Annual Meeting and entitled to vote on the subject matter are voted in favor of the proposal.
3. The selection of Marcum LLP as our independent registered public accounting firm for 2018 will be ratified if a majority of the shares of common stock present in person or represented by proxy at the meeting and entitled to vote on the subject matter are voted in favor of the proposal.

How will Abstentions and Broker Non-Votes be Treated?

You do not have the option of abstaining from voting on Proposal 1, but you may abstain from voting on Proposals 2 and 3. With respect to Proposal 1, because the directors are elected by a plurality vote, an abstention will have no effect on the outcome of the vote and, therefore, is not offered as a voting option on the proposal. In the case of an abstention on Proposals 2 and 3, your shares of common stock would be included in the number of shares of common stock considered present at the meeting for the purpose of determining whether there is a quorum. Because your shares of common stock would be voted but not in favor of Proposals 2 and 3, your abstention would have the same effect as a negative vote in determining the outcome of the vote on the proposal.

Broker non-votes occur when a brokerage firm, bank, or other nominee does not vote shares that it holds in “street name” on behalf of the beneficial owner because the beneficial owner has not provided voting instructions to the nominee with respect to a non-discretionary item. Proposals 1 and 2 are non-discretionary items for which a nominee will not have discretion to vote in the absence of voting instructions from you. Proposal 3, however, is a discretionary item on which your nominee will be entitled to vote your shares of common stock even in the absence of instructions from you. Accordingly, it is possible for there to be broker non-votes with respect to Proposals 1 and 2, but there will not be broker non-votes with regard to Proposal 3. In the case of a broker non-vote, your shares of common stock would be included in the number of shares of common stock considered present at the meeting for the purpose of determining whether there is a quorum. A broker non-vote, being shares of common stock not entitled to vote, would not have any effect on the outcome of the vote on Proposals 1 and 2.

Section 16(a) Beneficial Ownership Reporting Compliance

The federal securities laws require our directors and executive officers and persons who beneficially own more than 10% of a registered class of our equity securities to file with the SEC initial reports of ownership and reports of changes in ownership of our securities. Based solely on our review of the copies of these forms received by us or representations from reporting persons, we believe that SEC beneficial ownership reporting requirements for 2017 were met.

CORPORATE GOVERNANCE

Board Leadership Structure

Our Board currently consists of five members, Bruce Horowitz, Jan Koe, John Lacey, III, M.D., Ed Pershing, CPA, and Dominic Rodrigues, CFA. Alfred E. Smith, IV and Kelly M. McMasters, M.D. resigned from our Board effective as of April 3, 2017, in connection with the election of Messrs. Horowitz and Rodrigues to the Board, at which time the number of seats and the number of directors on our Board was reduced from five to four. Effective April 27, 2018, Eric Wachter, Ph.D. stepped down from our Board, and the Board increased the number of seats and the number of directors on our Board from four to five. Dr. Lacey and Mr. Pershing were elected to fill the two vacancies on the Board resulting from Dr. Wachter's resignation from the Board and the increase in the number of directors. Mr. Pershing serves as non-executive Chairman of our Board and Mr. Rodrigues serves as non-executive Vice Chairman effective April 27, 2018. Mr. Rodrigues served as our non-executive Chairman from April 3, 2017 to April 27, 2018.

Four members of our Board, Dr. Lacey and Messrs. Koe, Pershing and Rodrigues, are considered independent under the independence standards of the NYSE American LLC. Mr. Smith and Dr. McMasters were considered independent under the independence standards of the NYSE MKT (now known as the NYSE American LLC) until their resignations from the Board in April 2017. Effective May 1, 2017, NYSE MKT removed from listing our common stock and class of listed warrants, which continue to trade on the OTCQB.

We believe that it is appropriate to separate the positions of Chairman and Chief Executive Officer to ensure that the appropriate level of independent oversight is applied to all management decisions and avoids any potential conflicts of interest. The Company also does not currently have a Chief Executive Officer, although our President, Dr. Scott, serves as our principal executive officer. Our entire board of directors is responsible for our risk oversight function due to the fact that we have only two employees and independent contractors serving as our interim Chief Financial Officer and chief operations consultant, among other roles.

Board and Committees

Our Board met five times and took action by unanimous written consent seven times during 2017. Each incumbent director attended all meetings of our Board and its committees on which he served during 2017. Members of our Board are encouraged to attend the 2018 Annual Meeting. Directors Horowitz and Rodrigues and former Director Wachter attended the 2017 Annual Meeting of Stockholders in person, and Director Koe attended this meeting via telephone.

We have three standing Board committees: the audit committee, the compensation committee, and the corporate governance and nominating committee (the "nominating committee").

Audit Committee

The audit committee consists of Dr. Lacey and Messrs. Horowitz, Koe, Pershing and Rodrigues. Dr. Lacey and Messrs. Koe, Pershing and Rodrigues are independent directors under the listing standards of the NYSE American LLC. Mr. Pershing is the chairman of the audit committee. Our Board has determined that Messrs. Pershing and Rodrigues qualify as "audit committee financial experts," as defined under the rules of the SEC. The audit committee met four times during 2017.

The audit committee's responsibilities include:

1. Hiring one or more independent registered public accountants to audit our books, records and financial statements and to review our systems of accounting (including our systems of internal control);
2. Discussing with the independent registered public accounting firm the results of the annual audit and quarterly reviews;
3. Conducting periodic independent reviews of the systems of accounting (including systems of internal control);
4. Making reports periodically to our Board with respect to its findings; and
5. Undertaking other activities described more fully in the section called "Audit Committee Report."

Our audit committee charter is posted on our website under the "Investors" subpage, at <http://provectusbio.com/media/docs/AuditCommitteeCharter.pdf>, and is also available in print to any stockholder or other interested party who makes such a request to the Company's Secretary. The information on our website, however, is not a part of this Proxy Statement.

Compensation Committee

The compensation committee consists of Dr. Lacey and Messrs. Horowitz, Koe, Pershing and Rodrigues. Dr. Lacey and Messrs. Koe, Pershing and Rodrigues are independent directors under the listing standards of the NYSE American LLC. Mr. Koe is the chairman of the compensation committee. The compensation committee met three times during 2017.

The compensation committee's responsibilities include:

1. Reviewing and approving annually the corporate goals and objectives relevant to each executive officer, and at least annually, evaluating each executive officer's performance in light of these goals and objectives, and setting each executive officer's compensation, including salary, bonus and incentive compensation, based on this evaluation;
2. Reviewing our compensation and benefits plans;
3. Reviewing and recommending to the entire Board the compensation for members of our Board; and
4. Other matters that our Board specifically delegates to the compensation committee from time to time.

Our compensation committee charter is posted on our website under the "Investors" subpage, at <http://provectusbio.com/media/docs/CompensationCommitteeCharter.pdf>, and is also available in print to any stockholder or other interested party who makes such a request to the Company's Secretary. The information on our website, however, is not a part of this Proxy Statement.

Nominating Committee and Director Nominations

The nominating committee consists of Dr. Lacey and Messrs. Horowitz, Koe, Pershing and Rodrigues. Dr. Lacey and Messrs. Koe, Pershing and Rodrigues are independent directors under the listing standards of the NYSE American LLC. Dr. Lacey is the chairman of the nominating committee. The nominating committee did not hold any meetings during 2017.

COMPENSATION OF DIRECTORS AND EXECUTIVE OFFICERS

Because we are a smaller reporting company, we are not required to include a Compensation Discussion and Analysis section in this Proxy Statement and have elected to comply with the scaled-down executive compensation disclosure requirements applicable to smaller reporting companies.

Base Salary and Employment Agreements

On April 28, 2014, we entered into amended and restated executive employment agreements with Drs. Scott and Wachter to serve as our President and Chief Technology Officer, respectively. Each agreement provides that such executive will be employed for a five-year term with automatic one-year renewals unless previously terminated pursuant to the terms of the agreement or either party gives notice that the term will not be extended. Each executive officer's base salary is \$500,000 per year and any increase to such base salary will be determined by the compensation committee in its sole discretion. The Company and Drs. Scott and Wachter are parties to a Stipulated Settlement Agreement dated June 6, 2014 (the "Kleba Settlement Agreement") that was negotiated to resolve certain claims asserted against Drs. Scott and Wachter derivatively, pursuant to which each of Drs. Scott and Wachter agreed to repay the Company compensation that was paid to such executive along with legal fees and other expenses incurred by the Company. Each of Drs. Scott and Wachter have \$200,000 withheld from their salary each year until such repayment is satisfied. Named executive officers are entitled to reimbursement for all reasonable out-of-pocket expenses incurred during their performance of services under the agreements.

The employment agreements for Drs. Scott and Wachter generally provide that in the event that the executive's employment is terminated (i) voluntarily by the executive without Good Reason (as defined in the respective employment agreement) or (ii) by the Company "for cause" (as defined in the respective employment agreement), the Company will pay the executive's compensation only through the last day of the employment period and, except as may otherwise be expressly provided, the Company will have no further obligation to the executive. In the event that the executive's employment is terminated by the Company other than "for cause" (including death or disability), or if the executive voluntarily resigns for Good Reason, for so long as the executive is not in breach of his continuing obligations under the non-competition, non-solicitation and confidentiality restrictions contained in such executive's employment agreement, the Company will continue to pay the executive (or his estate) an amount equal to his base salary in effect immediately prior to the termination of his employment for a period of 24 months, to be paid in accordance with the Company's regular payroll practices through the end of the fiscal year in which termination occurs and then in one lump sum payable to the executive in the first month of the fiscal year following termination, as well as any prorated bonuses based upon the bonuses paid with regard to the prior fiscal year, plus benefits on a substantially equivalent basis to those which would have been provided to the executive in accordance with the terms of such benefit plans.

The employment agreements for our named executive officers also include non-competition, non-solicitation and confidentiality obligations.

Independent Contractor Agreements

During 2016, the Company entered into an independent contractor agreement, as amended (the "Glass Agreement"), with Mr. Glass, pursuant to which he serves as interim chief financial officer of the Company and performs duties and services consistent with the position of chief financial officer for a public company. The Glass Agreement provides that, in consideration for such services, Mr. Glass will be paid \$125 per hour. Mr. Glass is also entitled to a \$20,000 cash bonus payment on each of January 1, April 1, June 1, and September 1, 2017 (or the first business day thereafter) so long as he is serving as interim chief financial officer on such date. The Glass Agreement further provides that, following the termination of the Glass Agreement by the Company as a result of the hiring of a permanent chief financial officer, Mr. Glass will also be entitled to a severance payment of \$20,000 subject to certain terms and conditions set forth in the Glass Agreement. Under the Glass Agreement, the Company will provide Mr. Glass with a per diem for meals on the days when he is rendering services and will reimburse Mr. Glass for all reasonable and necessary expenses relating to his provision of services under the Glass Agreement. The Company also agreed to indemnify Mr. Glass for claims made against him based upon the performance of his services and to have him named as an additional named insured under the Company's general liability and directors and officers liability insurance policies. The Glass Agreement remains in effect on a month to month basis unless terminated by either party upon 60 days prior written notice.

During 2017, the Company entered into an independent contractor agreement, as amended (the “Horowitz Agreement”), with Mr. Horowitz, pursuant to which he serves as the primary business operations consultant of the Company and performs duties and services including but not limited to designing and implementing new business strategies and plans, and operating processes and procedures; establishing policies to promote a new company culture; overseeing company operations and the work of executives, managers, and staff members; prioritizing and continuing the Company’s search for a Chief Medical Officer and a new Chief Executive Officer; assisting in fundraising activities; and managing certain partner and vendor relationships. In consideration for such services, Mr. Horowitz will be paid \$125 per hour, up to a maximum of \$20,000 in a calendar month. The Company will reimburse Mr. Horowitz for all reasonable and necessary expenses relating to his provision of services under the Horowitz Agreement. The initial term of the Horowitz Agreement was from April 1, 2017 to June 30, 2017, and thereafter continues on a month-to-month basis unless terminated by either party upon 30 days prior written notice. The Company agreed to indemnify Mr. Horowitz and Capital Strategists, LLC for claims made against him based upon the performance of his services. The Horowitz Agreement contains customary confidentiality, customer non-solicitation, and employee non-solicitation provisions.

Bonus Awards

No cash bonuses were awarded to named executive officers in 2017 other than to Mr. Glass pursuant to the terms of the Glass Agreement.

401(k) Profit Sharing Plan and Other Benefits

Drs. Scott and Wachter participate in our 401(k) Profit Sharing Plan, which was formed in 2010. Contributions to the 401(k) Profit Sharing Plan by us are discretionary. Through 2016, we contributed the maximum amount permitted to be contributed by us with regard to each executive officer pursuant to our 401(k) plan, regardless of the amount, if any, contributed by the respective executive officers. Contributions by us in 2016 totaled \$159,000. The Company made no contributions in 2017. We will match the 401(k) contributions of each executive officer participating in our 401(k) plan in an amount equal to such executive officer’s own contribution, up to an amount equal to half of the maximum amount we are permitted to contribute. We maintain broad-based benefits that are provided to all employees, including health insurance, life and disability insurance, dental insurance, and a vacation policy that requires a minimum amount of vacation time used but provides for cash compensation in lieu of vacation taken if appropriate. Executive officers receive a total of six weeks per year and a cash payment for accrued but unused vacation of up to two weeks per year.

Long-Term Incentives

At the 2014 annual meeting of stockholders, our stockholders approved the Provectus Biopharmaceuticals, Inc. 2014 Equity Compensation Plan (the “2014 Equity Compensation Plan”), which authorizes our Board to grant options that qualify as “incentive stock options” within the meaning of Section 422 of the Internal Revenue Code of 1986 (the “Code”), and options that do not qualify as incentive stock options under the Code (“non-qualified stock options,” and collectively with incentive stock options, “options”). We are authorized to grant options under the 2014 Equity Compensation Plan for up to 20,000,000 shares of our common stock. If any options granted under the 2014 Equity Compensation Plan are forfeited or terminated for any reason, the shares of common stock that were subject to the options will again be available for future distribution under the 2014 Equity Compensation Plan. In June 2016, the compensation committee approved an amendment to our 2014 Equity Compensation Plan to allow for restricted stock awards to non-employee directors. Our stockholders approved this amendment at our 2017 annual stockholder meeting.

Under the terms of our 2014 Equity Compensation Plan, prior to the occurrence of a change in control (as defined in the 2014 Equity Compensation Plan), and unless otherwise determined by our Board, any stock options outstanding on the date such change in control is determined to have occurred that are not yet exercisable and vested on such date will become fully exercisable and vested. As of December 31, 2017, the named executive officers had no outstanding unvested stock options. No options were awarded to named executive officers or directors in 2017.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Policies and Procedures for Related Person Transactions

We have adopted a written related person transactions policy, pursuant to which our executive officers, directors and principal stockholders, including their immediate family members, are not permitted to enter into a related person transaction with us without the consent of our audit committee. Any request for us to enter into a transaction with an executive officer, director, principal stockholder or any of such persons' immediate family members, other than transactions available to all employees generally or involving less than \$10,000 when aggregated with similar transactions, must be presented to our audit committee for review, consideration and approval, unless the transaction involves an employment or other compensatory arrangement approved by the compensation committee. All of our directors, executive officers and employees are required to report to our audit committee any such related person transaction. In approving or rejecting the proposed agreement, our audit committee will take into account, among other factors it deems appropriate, whether the proposed related person transaction is on terms no less favorable than terms generally available to an unaffiliated third party under the same or similar circumstances, the extent of the person's interest in the transaction and, if applicable, the impact on a director's independence. After consideration of these and other factors, the audit committee may approve or reject the transaction. Consistent with the policy, if we should discover related person transactions that have not been approved, the audit committee will be notified and will determine the appropriate action, including ratification, rescission or amendment of the transaction.

Related Party Transactions

Convertible Promissory Note

On February 21, 2017, the Company issued a convertible promissory note in favor of Dr. Wachter, evidencing an unsecured loan from Dr. Wachter to the Company in the original principal amount of up to \$2,500,000 (the "Wachter Note"). Interest accrues on the outstanding balance of the Wachter Note at six percent (6%) per annum calculated on a 360-day basis. As of March 29, 2017, the Company has borrowed the entire \$2,500,000 principal amount under the Wachter Note.

The Wachter Note was amended and restated on April 3, 2017. See "First Tranche of 2017 Financing" below.

First Tranche of 2017 Financing

On March 23, 2017, the Company entered into an exclusive Definitive Financing Commitment Term Sheet effective as of March 19, 2017 (the "Term Sheet"), which sets forth the terms on which the PRH Group will provide financing to the Company. As described in the Term Sheet, the 2017 Financing from the PRH Group is in the form of a loan (the "Loan") that is evidenced by secured convertible promissory notes (individually a "PRH Note" and collectively, the "PRH Notes").

In connection with the funding of the First Tranche, as described in the Term Sheet, the Company, on April 3, 2017, entered into a PRH Note with Cal Enterprises LLC, a Nevada limited liability company, an affiliate of Mr. Rodrigues (the "Rodrigues Note"), in the principal amount of \$2.5 million. In addition, Dr. Wachter amended and restated his promissory note from the Company in the principal amount of \$2.5 million in order to match the terms of the Wachter Note to the PRH Notes. In addition to the customary provisions, each of the Rodrigues Note and the Wachter Note contains the following provisions:

- (i) They are secured on a *pari passu* basis by a first priority security interest on the Company's U.S. intellectual property;
- (ii) They bear interest at the rate of eight percent (8%) per annum on the outstanding principal amount;
- (iii) In the event there is a change of control of the Board as proposed by any person or group other than the PRH Group or Dr. Wachter (the "Lenders"), the term of each of the Wachter Note and the Rodrigues Note will be accelerated and all amounts due under the Wachter Note and the Rodrigues Note will be immediately due and payable, plus interest at the rate of eight percent (8%) per annum, plus a penalty in the amount equal to ten times (10x) the outstanding principal amount of the Wachter Note and the Rodrigues Note that has been funded to the Company;
- (iv) The outstanding principal amount and interest payable under the Notes is convertible at the sole discretion of the Lenders into shares of the Company's Series D Preferred Stock, a new series of preferred stock to be designated by the Board, at a price per share equal to \$0.2862; and
- (v) Notwithstanding (iv) above, the principal amount of the Notes and the interest payable thereunder will automatically convert into shares of the Company's Series D Preferred Stock at a price per share equal to \$0.2862 effective on the 18-month anniversary of the funding of the final tranche of the 2017 Financing, subject to certain exceptions.

The Series D Preferred Stock have not been designated by the Board. As a result, the PRH Notes are not yet convertible into Series D Preferred Stock.

As of March 29, 2017, the Company has drawn down the entire amount of \$2.5 million of the Wachter Note. As of October 31, 2017, the Company has drawn down the entire amount of \$2.5 million of the Rodrigues Note. On January 25, 2018, the Company issued a secured convertible promissory note in favor of Dr. Wachter in the original principal amount of \$500,000 (“the Second Wachter Note”). The terms of the Second Wachter Note, including the terms of its payment and the conditions under which it may be accelerated, are substantially identical to the terms of the notes the Company issued to the PRH Group pursuant to the Term Sheet.

Second Tranche of 2017 Financing

The PRH Group arranged for the Second Tranche of Financing in the amount of \$5,000,000.

Scott Convertible Promissory Note

On February 23, 2018, the Company issued a secured convertible promissory note in favor of Dr. Scott in the original principal amount of \$250,000 (the “Scott PRH Note”). The terms of the Scott PRH Note are substantially identical to the terms of the PRH Notes.

Pershing Convertible Promissory Note

On April 12, 2018, the Company issued a secured convertible promissory note in favor of Mr. Pershing in the original principal amount of \$200,000 (the “Pershing PRH Note”). The terms of the Pershing PRH Note are substantially identical to the terms of the PRH Notes.

Independent Contractor Payments

During the years ended December 31, 2017 and 2016, the Company paid Bruce Horowitz (Capital Strategists) \$180,000 and \$290,000, respectively, and in 2016 also issued 50,000 shares of the Company’s common stock, valued at \$19,500, to Mr. Horowitz for services rendered. Also in 2017, Mr. Horowitz received \$74,167 for director fees. In addition, in 2016, Mr. Horowitz exercised 400,000 warrants to purchase shares of the company’s common stock as part of the Company’s warrant exchange offer and received 400,000 replacement warrants at an exercise price of \$0.85 per share.

Dees Collection Lawsuit

On May 5, 2016, the Company filed a lawsuit (the “Dees Collection Lawsuit”) in the United States District Court for the Eastern District of Tennessee at Knoxville (the “Court”) against H. Craig Dees, the Company’s former Chairman and Chief Executive Officer, and his wife, Virginia Godfrey (together with Dees, the “Defendants”). The Company alleged that between 2013 and 2015, Dees received approximately \$2.4 million in advanced or reimbursed travel and entertainment expenses from the Company and that Dees did not use these funds for legitimate travel and entertainment expenses as he requested and the Company intended. Instead, the Company alleged that Dees created false receipts and documentation for the expenses and applied the funds to personal use. The Company and Dees are parties to the Kleba Settlement Agreement that was negotiated to resolve certain claims asserted against Dees derivatively. Pursuant to the terms of the Kleba Settlement Agreement, Dees agreed to repay the Company compensation that was paid to him along with legal fees and other expenses incurred by the Company. As of the date of his resignation, Dees still owed the Company \$2,267,750 under the Kleba Settlement Agreement. Dees failed to make such payment, and the Company notified him that he is in default and demanded payment in full. Therefore, the Company alleged counts of conversion, fraud, breach of fiduciary duty, breach of contract, breach of the Kleba Settlement Agreement, unjust enrichment and punitive damages in this lawsuit. The Company also sought foreclosure of the Company’s first-priority security interest in the 1,000,000 shares of common stock granted by Dees to the Company as collateral pursuant to that certain Stock Pledge Agreement dated October 3, 2014, between Dees and the Company in order to secure Dees’ obligations under the Kleba Settlement Agreement. The Court entered a default judgment against the Defendants on July 20, 2016. On March 15, 2017, the Court granted Ms. Godfrey’s motion to set aside the default judgment against her and set a deadline of March 30, 2017 for Ms. Godfrey to file an answer to the Company’s complaint. Ms. Godfrey filed her answer on March 28, 2017 demanding that the complaint against her be dismissed. The Court held a hearing on April 26, 2017 to determine damages with respect to the motion for default judgment against Dees. On July 25, 2017, the Court issued a Memorandum Opinion finding that the Company is entitled to receive total damages in the amount of \$6,027,652, comprising compensatory damages for misappropriation of travel and expense funds, compensatory damages for Dees’ breach of the Kleba Settlement Agreement, and punitive damages, plus costs. There can be no assurance, however, that the Company will be able to recover any or all of the damages awarded to the Company. The Court also entered a permanent injunction enjoining Dees from selling or dissipating assets until the judgment against him is satisfied. On September 1, 2017, the Company filed a motion with the Court to appoint a receiver to sell 1,000,000 shares of the Company’s common stock held by Dees and pledged as security pursuant to the Kleba

Settlement Agreement, and to remit the proceeds of this sale to the Company. On November 8, 2017, the Court granted the Company's motion to return 1,497,859 shares of Company common stock held by Dees. The Court also appointed a receiver to undertake the disposition of such stock in a commercially reasonable manner and remit all funds received pursuant to such sale(s) to the Company, less reasonable costs and expenses incurred as a result of serving as the receiver. On November 21, 2017, the Company entered into a settlement agreement with Ms. Godfrey, which provides for the settlement and release of all claims against Ms. Godfrey in connection with the Dees Collection Lawsuit, and the payment of \$20,000 by Ms. Godfrey to the Company.

Culpepper Travel Expenses and Related Collection Efforts

On December 27, 2016, the then Board unanimously voted to terminate Peter Culpepper, effective immediately, from all positions he held with the Company and each of its subsidiaries, including interim Chief Executive Officer and Chief Operating Officer of the Company, "for cause", in accordance with the terms of the Amended and Restated Executive Employment Agreement entered into by Culpepper and the Company on April 28, 2014 (the "Culpepper Employment Agreement") based on the results of the investigation conducted by the Audit Committee of the then Board regarding improper expense reimbursements to Culpepper.

The Audit Committee retained independent counsel and an advisory firm with forensic accounting expertise to assist the Audit Committee in conducting the investigation. The Audit Committee found that Culpepper received \$294,255 in expense reimbursements that were unsubstantiated or otherwise improper. The Company seeks to recover from Culpepper the entire \$294,255 in expense reimbursements, as well as all attorney's fees and auditors'/experts' fees incurred by the Company in connection with the examination of his expense reimbursements. On December 12, 2017, Culpepper agreed to an order by the SEC to pay disgorgement of \$140,115, prejudgment interest of \$12,261, for a total of \$152,376, to the Company within 30 days. The Company received the payment of \$152,376 in January 2018.

The Company takes the position that under the terms of the Culpepper Employment Agreement, Culpepper is owed no severance payments as a result of his termination "for cause" as that term is defined in the Culpepper Employment Agreement. Furthermore, Culpepper is no longer entitled to the 2:1 credit under the Kleba Settlement Agreement such that the total \$2,240,000 owed by Culpepper pursuant to the Kleba Settlement Agreement plus Culpepper's proportionate share of the litigation cost in the amount of \$227,750, less the amount that he repaid as of December 31, 2016, is immediately due and payable. The Company sent Culpepper a notice of default in January 2017 for the total amount he owes the Company and is in the process of pursuing these claims in accordance with the alternative dispute resolution provision of the Culpepper Employment Agreement. The Company has established a reserve of \$2,051,083 as of March 31, 2018 and December 31, 2017, which amount represents the amount the Company currently believes Culpepper owes to the Company under the Kleba Settlement Agreement (excluding the amount of attorneys' fees incurred in enforcing the terms of the Kleba Settlement Agreement), while the Company pursues collection of this amount.

Culpepper disputes that he was terminated "for cause" under the Culpepper Employment Agreement. Pursuant to the alternative dispute resolution provisions of that agreement, the Company and Culpepper participated in a mediation of their dispute on June 28, 2017. Having reached no resolution during the mediation, the parties are proceeding to arbitration under the commercial rules of the American Arbitration Association, which will include, among other claims, both Culpepper's claim for severance against Provectus and Provectus' claims against Culpepper for improper expense reimbursements and amounts Culpepper owes Provectus under the Kleba Settlement Agreement.

Other than as set forth above, we had no transactions during 2016 or 2017 that would be required to be disclosed under Item 404(a) of Regulation S-K, and no such transactions are currently proposed for 2018.

PROPOSAL 3
RATIFICATION OF SELECTION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

General

Each of our audit committee and Board has unanimously selected Marcum LLP as the independent registered public accounting firm to perform the audit of our consolidated financial statements for 2018. Marcum LLP is an independent registered public accounting firm.

Our Board is asking our stockholders to ratify the selection of Marcum LLP as our independent registered public accounting firm for 2018. Although not required by law or our bylaws, our Board is submitting the selection of Marcum LLP to our stockholders for ratification as a matter of good corporate practice. Even if the selection is ratified, our Board, in its discretion, may select a different registered public accounting firm at any time during the year if it determines that such a change would be in the best interests of us and our stockholders.

Previous Independent Registered Public Accounting Firm

During and for the fiscal years ended December 31, 2015 and 2014, BDO USA, LLP audited and rendered opinions on the financial statements of the Company and its subsidiaries. BDO USA, LLP also rendered opinions on the Company's internal control over financial reporting as of December 31, 2015 and 2014.

On April 26, 2016, the Company notified its independent registered public accounting firm, BDO USA, LLP, of its decision to dismiss BDO USA, LLP, effective as of that date, and to appoint another independent registered public accounting firm, Marcum LLP. The decision to change independent registered public accounting firms was unanimously approved by the Company's audit committee and board of directors.

BDO USA, LLP's reports on the consolidated financial statements of the Company for the fiscal years ended December 31, 2015 and 2014, did not contain an adverse opinion or a disclaimer of opinion and were not qualified or modified as to uncertainty, audit scope or accounting principle.

During the fiscal years ended December 31, 2015 and 2014, and the subsequent interim period through April 26, 2016, the date of BDO USA, LLP's dismissal, there were no "disagreements" (as defined in Item 304(a)(1)(iv) of Regulation S-K and related instructions) with BDO USA, LLP on any matter of accounting principles or practices, financial statement disclosure or auditing scope or procedure, which disagreements, if not resolved to the satisfaction of BDO USA, LLP, would have caused BDO USA, LLP to make reference to the subject matter of the disagreements in connection with its reports on the Company's consolidated financial statements for such periods.

During the fiscal years ended December 31, 2015 and 2014, and the subsequent interim period through April 26, 2016, there were no "reportable events" (as defined in Item 304(a)(1)(v) of Regulation S-K), other than the identification of a material weakness in the Company's internal control over financial reporting as described in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2015 (the "2015 Form 10-K"). As disclosed in Item 9A to the 2015 Form 10-K, the Company's principal executive officer and principal financial officer concluded that, as of December 31, 2015, the Company's internal control over financial reporting was not effective due to a material weakness related to the Company's travel expense advancement and reimbursement policies and procedures that relate to the Company's former Chief Executive Officer and Chairman of the board of directors, H. Craig Dees, Ph.D. BDO USA, LLP's audit report included in the 2015 10-K with respect to the Company's internal control over financial reporting opined that the Company did not maintain effective internal control over financial reporting as of December 31, 2015 because of this material weakness. The subject matter of this material weakness was discussed by the Company's audit committee with BDO USA, LLP. The audit committee has authorized BDO USA, LLP to respond fully to the inquiries of the successor independent registered public accounting firm concerning this material weakness.

The Company has provided BDO USA, LLP with a copy of the foregoing disclosures and requested that BDO USA, LLP furnish the Company with a letter addressed to the SEC stating whether or not it agrees with the statements in the above paragraphs. A copy of BDO USA, LLP's letter was attached as Exhibit 16.1 to the Company's Current Report on Form 8-K filed with the SEC on April 29, 2016.

Current Independent Registered Public Accounting Firm

On April 26, 2016, the Company engaged Marcum LLP as its independent registered public accounting firm. The decision to engage Marcum LLP as the Company's independent registered public accounting firm was unanimously approved by the Company's audit committee and Board. During the year ended December 31, 2015, and through April 26, 2016, the date of Marcum LLP's engagement, the Company did not consult with Marcum LLP regarding any of the matters or events set forth in Item 304(a)(2)(i) and (ii) of Regulation S-K.

Representatives of Marcum LLP are expected to be present at the Annual Meeting telephonically. They will have an opportunity to make a statement if they desire and will be available to respond to appropriate questions from our stockholders.

OUR BOARD UNANIMOUSLY RECOMMENDS THAT YOU VOTE FOR THE RATIFICATION OF THE SELECTION OF MARCUM LLP AS OUR INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR 2018. Each proxy solicited on behalf of our Board will be voted *FOR* the ratification of the selection of Marcum LLP as our independent registered public accounting firm for 2018 unless the stockholder instructs otherwise in the proxy. If our stockholders do not ratify the selection, the matter will be reconsidered by our Board.

Audit and Non-Audit Services

Our audit committee is directly responsible for the appointment, compensation, and oversight of our independent registered public accounting firm. It is the policy of our audit committee to pre-approve all audit and non-audit services provided by our independent registered public accountants. Our audit committee has considered whether the provision by Marcum LLP of services of the varieties described below was compatible with maintaining the independence of Marcum LLP. Our audit committee believes the provision of such services to us did not jeopardize the independence of Marcum LLP as the Company’s independent registered public accounting firm.

The table below sets forth the aggregate fees we paid to Marcum LLP for audit and non-audit services provided to us in 2017 and 2016:

<u>Fees</u>	<u>2017</u>	<u>2016</u>
Audit Fees.....	\$ 192,954	\$ 326,638
Audit-Related Fees	—	—
Tax Fees.....	—	—
All Other Fees.....	—	—
Total.....	<u>\$ 192,954</u>	<u>\$ 326,638</u>

In the above table, in accordance with the SEC’s definitions and rules, “audit fees” are fees for professional services for the audit of a company’s financial statements included in the annual report on Form 10-K, for the review of a company’s financial statements included in the quarterly reports on Form 10-Q, and for services that are normally provided by the accountant in connection with statutory and regulatory filings or engagements; “audit-related fees” are fees for assurance and related services that are reasonably related to the performance of the audit or review of a company’s financial statements; “tax fees” are fees for tax compliance, tax advice, and tax planning; and “all other fees” are fees for any services not included in the first three categories.

AUDIT COMMITTEE REPORT

Our audit committee has the responsibilities and powers set forth in its charter, which include the responsibility to assist our Board in its oversight of our accounting and financial reporting principles and policies and internal audit controls and procedures, the integrity of our financial statements, our compliance with legal and regulatory requirements, the independent registered public accounting firm's qualifications and independence, and the performance of the independent registered public accounting firm and our internal audit function. The audit committee is also required to prepare this report to be included in our annual Proxy Statement pursuant to the proxy rules of the SEC.

Management is responsible for the preparation, presentation and integrity of our financial statements and for maintaining appropriate accounting and financial reporting principles and policies and internal controls and procedures to provide for compliance with accounting standards and applicable laws and regulations. The internal auditor is responsible for testing such internal controls and procedures. Our independent registered public accounting firm is responsible for planning and carrying out a proper audit of our annual financial statements, reviews of our quarterly financial statements prior to the filing of each quarterly report on Form 10-Q, and other procedures.

The audit committee reviews our financial reporting process. In this context, the audit committee:

- reviewed and discussed with management the audited financial statements for the year ended December 31, 2017;
- discussed with Marcum LLP, our independent registered public accountants, the matters required to be discussed under the rules adopted by the Public Company Accounting Oversight Board (the "PCAOB"); and
- received the written disclosures and the letter from Marcum LLP required by the PCAOB, and has discussed with Marcum LLP the independent accountant's independence.

Based on this review and the discussions referred to above, the audit committee recommended that our Board include the audited financial statements in our Annual Report on Form 10-K for the year ended December 31, 2017, for filing with the SEC.

This report is submitted on behalf of the members of the audit committee, who are named below, and shall not be deemed "soliciting material" or to be "filed" with the SEC, nor shall it be incorporated by any general statement incorporating by reference this Proxy Statement into any filing under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended, except to the extent that we specifically incorporate this information by reference and shall not otherwise be deemed filed under these Acts.
